

2024/2025 Club Redevelopment Project

FAQ:

1. What areas of the Club will be affected by the renovations?

Sports Bar, Reception, Bottle shop, Gaming Room, and External Façade.

2. How long will the renovations take?

Stage 1 (Sports Bar, Reception, Bottle shop & Exterior Façade) will be open mid 2025, closely followed by Stage 2 (gaming room & memorabilia) in the last quarter of 2025.

3. Will the Club remain open during the renovations?

Yes, most definitely! We're working hard to minimise disruption and continue to offer our Members and guests excellent facilities and service.

4. What improvements or new features can we expect after the renovations?

A stylish new Sports Bar/TAB and Entertainment Terrace featuring upgraded seating, sound and high-tech large screen TV's. The upgraded gaming room will feature the latest gaming machines, improved lighting, modern décor, and a more spacious layout to enhance the gaming experience.

5. Will any regular events or activities be cancelled or moved due to the renovations?

We are committed to minimising disruptions to community groups and events during the renovations. However, due to space constraints, some events may need to be relocated or rescheduled. Please stay informed by regularly checking the 'Renovations Members Email' and our social media pages for updates.

6. Will there be any disruptions to parking or access to the Club?

To ensure the safety of our Members, a temporary access point to the Club will be established. Members will still be able to enter the building from both the back Social Café entrance (McDonald Street) and front carpark. A portion of the far back car park will be designated for the construction crew.

7. How are you ensuring the safety of members during the renovations?

Safety measures will be in place, including securely fenced-off construction areas and clear signage to direct Members safely around the club. Safety is our top priority.

8. Are there any changes to Membership fees or benefits due to the renovations?

There are no planned changes to Membership fees and benefits because of the renovations. We'll continue to offer great value for your Membership.

9. How will the renovations impact staff and service quality?

We are working closely with our team to ensure that service quality remains at our normally high standards during the renovations. Staff will be trained to assist Members with any changes or disruptions.

10. How can Members stay updated on the progress of the renovations?

Regular updates will be provided through our Members Renovation Emails, social media channels, and on our website. Additionally, information will be posted on notice boards within the club.

11. Will there be any special events or offers to celebrate the completion of the renovations?

Yes, we are planning a series of special events and promotions to celebrate the completion of the renovations. Details will be shared closer to the completion date.

12. Are there opportunities for Member questions or feedback on the renovations?

Absolutely. We value our Members feedback and question throughout this process. Please feel free to contact us anytime at enquiries@bribiersl.com.au

13. How will the renovations enhance the overall member experience at the club?

The renovations are designed to create a more enjoyable, comfortable, and modern environment for our members. The upgraded sports bar, TAB, and entertainment terrace will offer improved facilities and a better atmosphere for socialising and entertainment. We will also have additional dining capacity in the new entertainment area.
